30 MINUTE CONCISE READING

\$60 30 Min Meeting

These sessions are designed to be swift. They are best for quick answers, gentle guidance and general energy inquiries.

60 MINUTE IN DEPTH READING

\$120 60 Min Meeting

These sessions are great when you really want to get into the meat of the situation and understand the deeper meaning behind the energies surrounding your questions.

YOUR BIRTH CARD

\$10 Written Only
\$25 With 20 Min Meeting

Like the zodiac, birth cards offer a similar function. Everyone has a unique strength and weakness. With the ability to embrace our own blessings and faults, we can learn to appreciate all the strange and beautiful wonders that other humans bring to our world as well. Birth cards are meant to describe a facet of yourself that is constant (unlike our moods, events in or lives, or states of being). These can be used to give insight on the energy present during birth, and through them, you can discover what your challenges, roles, and greatest potentials in life are.

YOUR CARD OF THE YEAR

\$10 Written Only
\$25 With 20 Min Meeting

For each year of your life, you have a card from the Major Arcana, which represents the tests and lessons you'll experience in any given year. It indicates the kind of archetypal energies that are constellated in that year, suggesting personal qualities you can work with. Like the birth card, the card of the year offers a look at the constant energy that will be present in the coming year and doesn't change as the months progress.

WTF READING

\$50 30 Min Meeting

This is a Rooted By Moonlight special. Feeling stuck? Feeling lonely? Feeling restless? Feeling.... uhhhh don't know wtf you're feeling? Don't worry, I can help. This short, sweet little reading is designed to help you get unstuck and figure out what the root of your feelings and energies around you are.

WEEK AHEAD READING

\$25 Written Only
\$50 With 30 Min Meeting

A week ahead tarot reading can be done at any point of the week. It does not have to be done *only* on a Sunday or Monday, as everyone's week is structured very individually. I do however suggest booking this at a time of reset like at the beginning of *your* week or during a New Moon. The reading begins with the overarching theme for the week ahead and tone of the energies around it. We then look at the days of the week and how the energy is looking each day to help guide you through a peaceful and productive week.

MONTH AHEAD READING

\$25 Written Only
\$50 With 30 Min Meeting

A month ahead tarot reading can be done at any point of the month. It does not have to be specifically at the traditional start and end dates of each month. I do however recommend booking this at a time of reset like at the beginning of the month or during a New Moon. The reading begins with the theme for the month ahead and we move into how you can work with that energy, what challenges and surprises may come up. This along with things to be mindful of and takeaways from the month round out a great opportunity to plan a joyful and balanced month.

YEAR AHEAD READING

\$60 Written Only
\$100 With 60 Min Meeting

A year ahead tarot card reading can be done at any time of year, not just for New Years! Feel free to book at any point in the month or year. The reading begins with the overarching theme for the coming year. We then dive into the energies surrounding each month and how you can best anticipate the best courses of action that serve your highest good. This is a great time to set intentions and long term goals, I suggest booking during a time of reset, whether it is the beginning of the year, mid-year or during a New Moon.

BIRTHDAY READING

\$75 Written Only
\$110 With 60 Min Meeting

Happy Birthday!! This reading functions a lot like a year ahead reading, except with special flourishes for your birthday including a card of the year. We will touch on career, relationships, overall health and energy. We will see the achievements of the past year and a chance to uncover some helpful hints for the coming year ahead. This reading is great as a treat for yourself or treat someone you love with this reading as a birthday present!
