\$20 8.5"x11" unframed

I'm inspired by many areas of tarot, astrology, witchcraft and pop culture. I use my talents and imagination to create artwork based on my favourite characters, themes and so much more. Each print comes on fine art quality stock, this particular art piece comes unframed.

CUSTOM ARTWORK / COMMISSIONS

TBD

Please reach out for a consultation, I'm happy to discuss your ideas and vision for your piece. Whether it's a personal project or an idea for a gift, let's chat about how I can help bring your idea out! The price to be determined by project.

PAYMENT TERMS

All payments for art prints are to be made prior to delivery via emt. All payments for custom and commissioned artwork are to be made after initial consultation and prior to the work commencing. After final approval of the artwork/print, Rooted By Moonlight is not liable for any errors in information, spelling, illustration or design changes that are requested after this approval has taken place and signed off by the client.

Due to the nature of this type of service and products, all sales are final. Emts to be directed to Lisa Clark rootedbymoonlight@gmail.com
